Subject: Build America, Buy America Act Compliance Certification

To Whom It May Concern,

I, Aaron Brown, representing Orange Aluminum Company, hereby certify that the aluminum extruded products distributed are, to the best of our knowledge, in complete compliance with the Build America, Buy America Act (BABAA) in accordance with the Best Practices for Documenting Compliance with BABAA.

Our commitment to adhering to the BABAA regulations ensures that the final manufacturing process for our products takes place in the United States, and the cost of components mined, produced, or manufactured in the United States exceeds 55 percent, in accordance with the stipulated requirements.

We also pledge to promptly notify relevant parties should there be any changes in our compliance status with the BABAA regulations as part of our commitment to transparency and best practices.

Sincerely,

Aaron Brown
Chief Operating Officer
